

Steel Center

SENIOR RECOGNITION

2025

MAY 20, 2025

May 20, 2025

Dear Members of the Class of 2025:

On behalf of our member school districts and the Joint Operating Committee, I extend my heartfelt congratulations to each of you. Your accomplishments in both your academic and career and technical education—as well as your involvement in extracurricular activities at Steel Center and your home high schools—are truly commendable.

I also want to recognize and thank the many individuals who have supported you along the way: your families, teachers, mentors, and others who have played a role in shaping the person you are today. Choosing to begin your Pathway to Success while still in high school was a bold and forward-thinking decision. By taking advantage of the opportunities available at Steel Center, you've distinguished yourselves and set the foundation for a promising future.

Very soon, you will cross the stage and officially graduate. One chapter of your life will close, and a new one will begin. Whether you plan to enter the workforce, continue your education, or pursue advanced training, the skills and experiences you've gained at Steel Center have prepared you to take the next step with confidence.

As you move forward, know that you are now part of our growing Alumni Community—an accomplished network of individuals who have taken what they learned here and gone on to lead, innovate, and make a difference in their communities and industries. Walk your path with pride, integrity, and purpose. With perseverance and support, there are no limits to what you can achieve.

The world is changing, and skilled professionals like you are needed more than ever. Your knowledge and talents are in high demand. As you begin your next journey, remember: you have the power to build, repair, create, serve, heal—and ultimately, to change the world for the better.

The future is bright, and that hope—the promise of tomorrow—is YOU. Thank you for making Steel Center a part of your journey.

Warmest regards,

A handwritten signature in black ink that reads "Kevin E. Rice". The signature is written in a cursive, flowing style.

Kevin E. Rice
